Set on the edge of bustling Market Harborough is Farndon Fields Farm Shop and its accompanying restaurant, The Farmer's Kitchen. As you relax in the rustic setting, you can see photos of the farm team at work in the fields and read updates on their current picking schedule. Much of the menu is made using the farm's produce, and it's this passion for self-sufficiency, freshness and local provenance that is at the heart of the dining experience.

Hearty stews, roast dinners and traditional British fare are the order of the day, with the specials board updated regularly to reflect the top-quality seasonal fruit and vegetables produced on the farm. For lighter appetites there are pâtés, salads and sandwiches, all created with the same attention to detail and commitment to home-grown ingredients. For dessert, traditional dishes like bread and butter pudding are complemented by a selection of delicious homemade cakes. Situated in a beautiful courtyard area, diners can enjoy the

wide selection of delectable dishes in a relaxed setting. Much of the farm's produce is for sale in the well-stocked adjoining shop and delicatessen, and knowledgeable staff are on-hand to advise you if you fancy recreating one of your favourite dishes at home.

For fresh, seasonal food in an idyllic rural setting, Farndon Fields is the perfect spot to pick up some outstanding produce.
